Class 4 General On-Sale License

January 6, 2026

Alcoholic Beverage Control Board  
Department of Revenue and Taxation  
Government of Guam

## **RE: Request for Approval of Temporary Outdoor Service Area**

Dear Members of the Board:

The Hare & Hound respectfully requests approval to operate a temporary outdoor service area during the tradewind season. This seasonal service would allow us to provide our patrons with an outdoor dining and beverage experience during the most pleasant weather months on Guam.

Specifically, we are requesting approval for the following:

**Location:** Outdoor backyard area adjacent to our currently licensed premises

**Timeframe:** January 2026 through April 30, 2026

**Operating Days:** Wednesday through Sunday

**Operating Hours:** 12:00 PM to 10:00 PM

Our existing Class 4 General On-Sale license currently authorizes operations on the second floor of our establishment, including an outdoor balcony. The proposed temporary outdoor service area would be located in the backyard of the building and would be clearly defined by a canopy footprint planters, fencing, and the building structure itself. The area will accommodate seating for patrons with picnic tables and lawn furniture.

We will maintain all safety and operational standards required by the Board. Adequate lighting will be installed for evening service hours. Our existing restroom facilities on the second floor will remain accessible to all patrons. All beverage service will be managed by our currently licensed and registered owners and managers, and we will maintain compliance with all employee registration requirements under 3 GAR § 2107.

The outdoor service will feature a limited beverage menu focusing on draft beer selections, served from a kegerator and portable service station with a limited cocktail menu. We are also coordinating with food vendors and exploring the possibility of operating an outdoor grill to complement the beverage service, subject to all applicable health and safety permits.

Our upstairs bar will continue to operate on its regular schedule during this period. The temporary outdoor service will provide an additional option for our patrons to

enjoy the pleasant tradewind season weather while maintaining the quality service standards The Hare & Hound is known for.

Enclosed with this request is a letter from our landlord granting permission for this temporary use of the outdoor area. Our current ownership and management team, as registered with the ABC Board, will oversee all operations in the outdoor service area.

We appreciate the Board's consideration of this request and are available to provide any additional information or answer questions at your convenience. We look forward to your approval and the opportunity to enhance our service offerings during the tradewind season.

Respectfully submitted,

Andrew Estes
